25X1

For the Hearing, I propose the following for your
and Representative Aspin's consideration:

25X1 Lead off with a brief (less than 10 minutes)
statement by [redacted] on: (1) definition of
the problem, and (2) explanation of which units
within CIA are addressing the problem of terrorism.

25X1 This to be followed by another brief (less than five
minutes) statement by [redacted] on the role of the Covert

The third and final statement will be by [redacted]
It too will be short (less than five minutes) on the legal
barriers to CIA's cooperation with foreign services' efforts
to combat local terrorism.

These three statements should take roughly twenty minutes
and I am hopeful that they will provide useful underpinning
for a subsequent question and answer period.

Best regards,
